

2017-2018 Camrose Ski Club

Membership Report

This year our club grew from the past year. With 211 members paying fees, up from 197 members the year before. We continue to encourage the community to purchase memberships. The membership fees help to keep our trails and equipment in top-notch shape. From grooming ski trails, mowing running trails and maintaining the single-track bike trails.

A donation page has been setup on Zone4 for single day usage. Follow the link from the Club website.

2017-18 Membership Fees

Family Fee - \$90

Individual fee - \$45
