The Camrose Ski Club continues to be a club that is full of energy in its service to the community. We maintain and enhance the beautiful Stoney Creek cross country trail system, offer diverse programs for youth and adults, and host enjoyable and competitive events throughout the year. The reports that follow will highlight the many things we do.

None of what we do would be possible without amazing people. Our trail crew, coaches, organizers, board members and volunteers are exceptional.

Here are some of the major projects we have undertaken and events we have been involved with in the past year:

- organizing and hosting the Ole Uffda Loppet ski race, and Ole's Spring Runoff running race (Calforex Cup biathlon race weekend was cancelled due to cold)
- hosting Cadet zone competition & 55+ zone qualification race
- participating in the Alberta Youth Championships (winning aggregate small club banner!)
- finishing the biathlon improvement grant work (trail regrading and widening, range berm augmentation, tree planting, and snow fence installation)
- starting trail widening work on the biathlon trails
- developing a new competitive club model for Augustana cross country and biathlon
- partnering with Cross Country Alberta to offer cross country ski camps led by former national team skier Ivan Babikov
- arranging a biathlon coaching course and camp with Biathlon Canada Athlete and Coach Development Manager Jacqueline Akerman
- feature luge television story for CBC Our Edmonton program
- SISU casino fundraiser

Here are some of the areas of focus for the coming year:

- hosting an Alberta Cup cross country weekend
- hosting a Calforex race weekend
- board rejuvenation
- formulating a detailed plan for a new clubhouse
- assisting our Augustana cross country and biathlon divisions in developing their organizational structure, program delivery, promotion and finding funding
- adding an Clubhouse Director position to our board
- consolidating our membership

Please come to the meeting to learn more about what we have done and are doing. Your involvement strengthens the club!
