

# Camrose Biathlon Program

## Program

The Camrose Biathlon Club is a growing program where athletes eight and up are offered the chance to enjoy the sport of biathlon within an inclusive, encouraging, and controlled environment. Our mission is to help our athletes achieve their own goals, whether they are wanting to make it to the Olympics one day or doing the sport recreationally we will help them in any way we can. Dedicated coaching staff, administration and volunteers help run the Camrose Biathlon Club and are committed to our athlete's success.

## Practice Information

The Camrose Biathlon Club practices at the Camrose range located south of Camrose. There are six races throughout the season and we offer three practices during the weekdays in the evening and one practice on the weekend when there is no race. During the practices, the athletes will work on both their shooting and skiing techniques. COVID-19 precautions have been set in place and are constantly being updated accordingly.
